

## How to Select a Mason Contractor

- **BE SURE YOU ARE DEALING WITH UNION CRAFTSMEN**

Union craftsmen learn the techniques and materials of their trade through a rigorous regiment of apprenticeship and experience. As a result, they are professionals in their field, and make customer satisfaction a priority.

- **CHECK OUT THE COMPANY**

How long has the company been in business? Will the company representatives visit the job site to discuss the work?

- **OBTAIN BIDS FROM MORE THAN ONE COMPANY**

Prices for any given job can vary significantly. Just remember, a bid too low which seems too good to be true-usually isn't true.

- **OBTAIN LIEN WAIVERS FROM THE CONTRACTING COMPANY**

Protect yourself from claims that may be filed against the company by suppliers or subcontractors.
