

How to Select a Mason Contractor

BE SURE YOU ARE DEALING WITH UNION CRAFTSMEN

Union craftsmen learn the techniques and materials of their trade through a rigorous regimen of apprenticeship and experience. As a result, they are professionals in their field, and make customer satisfaction a priority.

CHECK OUT THE COMPANY

How long has the company been in business? Will the company representatives visit the job site to discuss the work?

OBTAIN BIDS FROM MORE THAN ONE COMPANY

Prices for any given job can vary significantly. Just remember, a bid too low which seems too good to be true usually isn't true.

OBTAIN LIEN WAIVERS FROM THE CONTRACTING COMPANY

Protect yourself from claims that may be filed against the company by suppliers or subcontractors.
