## HOW TO SELECT A MASON CONTRACTOR

### BE SURE YOU ARE DEALING WITH UNION CRAFTSMEN

Union craftsmen learn the techniques and materials of their trade through a rigorous regimen of apprenticeship and experience. As a result, they are professionals in their field, and make customer satisfaction a priority.

### CHECK OUT THE COMPANY

How long has the company been in business? Will the company representatives visit the job site to discuss the work?

### OBTAIN BIDS FROM MORE THAN ONE COMPANY

Prices for any given job can vary significantly. Just remember, a bid too low which seems too good to be true usually is not true.

### OBTAIN LIEN WAIVERS FROM THE CONTRACTING COMPANY

Protect yourself from claims that may be filed against the company by suppliers or subcontractors.
